A MESSAGE FROM US

Greetings From MSC Express & Logistics

Dear Sir/Madam,

Greetings from MSC Express & Logistics.

We are pleased to introduce ourselves as a leading logistics and supply chain solutions provider with a strong, bonded pan-India presence. Operating since 2005, MSC Express & Logistics has built a reputation for speed, reliability, transparency, and cost efficiency, helping businesses across India optimize their supply chain operations.

“

We would welcome the opportunity to discuss how we can support your logistics requirements and become your trusted partner for pan-India distribution.

WHO WE ARE

Our Expertise In Pan-India Logistics

MSC Express & Logistics operates as a bonded contract-freight and supply-chain partner since 2005. We specialise in fast, secure handling, multimodal freight forwarding, and bespoke commercial logistics connecting every district in India.

Our commitment to real-time tracking, safe and punctual delivery, and complete data transparency has made us a preferred logistics partner for businesses ranging from FMCG and cosmetics to consumer electronics and industrial goods.

WHAT WE OFFER

Services Offered

01

Air Cargo Services

Priority next-flight air freight for urgent, high-value consignments with secure handling across every major metro airport.

02

Surface Transport

Containerised truck fleets connecting industrial hubs with reliable door-to-door delivery, tracked from pickup to POD.

03

Train Cargo Logistics

Cost-efficient bulk freight transportation utilising the Indian railway network, with scheduled dispatch nationwide.

04

FTL Services

Dedicated full-truckload capacity for bulk, single-consignor loads that cannot wait to be consolidated.

05

PTL Services

Affordable shared-truck rates for consignments that do not need a full vehicle, consolidated on the same route.

06

Warehousing & 3PL

Storage, inventory management and pick-and-pack fulfilment, run out of our Bhiwandi/Mumbai distribution hub.

07

Reverse Logistics

Structured returns management built for e-commerce and retail businesses.

08

Customized Solutions

Tailored transport, cargo, and freight management designed around enterprise efficiency.

TECHNOLOGY-DRIVEN OPERATIONS

Complete Visibility, Built In

Our operations are backed by robust, technology-first infrastructure that gives clients complete visibility and control over their consignments.

Real-Time Tracking — every consignment milestone monitored with instant status notifications.

Booking APIs — seamless integration with client systems for direct consignment booking.

POD APIs — instant electronic Proof of Delivery the moment a consignment is handed over.

Status Update APIs — automated shipment updates pushed straight to your systems.

Complete Data Transparency — full visibility across the entire shipment lifecycle.

SIMPLE, RELIABLE, REPEATABLE

How We Work

01

Booking & Quote

Book online or schedule a pickup with customised freight estimates.

02

Pickup & Barcode

Safe doorstep collection with secure barcode tagging & weighing.

03

Multimodal Transit

Fast road, air or rail transit with active GPS checkpoint tracking.

04

Delivery & POD

Punctual last-mile delivery with instant electronic Proof of Delivery.
